Dear Parents / Guardians,

## **USE OF SCHOOL SMART CARDS (SSC) FOR CONCESSIONARY TRAVEL - PRI 1 STUDENTS**

We have received the School Smart Cards (SSC). For students who had their photos taken during the reshoot or had submitted softcopy photos, their SSCs will be printed in the supplementary issue. The supplementary issue will be delivered to the schools at a later date.

To start using the SSCs for concessionary travel, students are required to activate their SSCs at the TransitLink (TL) Ticket Office, TL Concession Card Replacement Office (CCRO) or Passenger Services Centre (PSC) located at MRT stations or bus interchanges by topping-up the value for the card. Cash top-up at the PSC has ceased but PSC will continue to assist in the activation of SSCs for students. To avoid being turned away, students are advised to inform the PSC staff that they would like to activate their SSCs. The minimum top-up value is \$5.

Please check the photo and details printed on the card upon receipt of the SSCs. **Please inform the Form Teachers by 25 March 2022 of any discrepancy.**

As in the past, Transit Link will advise on the date from which students who have not been issued a SSC to make the card on their own at any of the 9 Concession Card Replacement Offices. MOE will inform schools nearer the completion of the P1 SSC exercise and after Transit Link has confirmed the date.

Have a safe travel.

Yours sincerely,

Mr Victor Tan  
Principal
