Dear P2 to P6 Parents/Guardians,

INDIVIDUAL STUDENT DETAIL REPORT FOR YEAR 2022 AND REQUEST FOR DATE OF VACCINATION.

Your child / ward has received the Individual Student Details Report today. We seek your help to verify and update the information. Kindly return the duly signed form to your child / ward's form teacher (FT) by **21 January 2022**.

In line with the current advisory from MOH, vaccinated persons should avoid strenuous physical activity for two weeks after any dose of the mRNA COVID-19 vaccines. In view of your child/ward's safety, especially during PE lesson and CCA, should they have received vaccination recently, kindly inform their form teacher, the date of their vaccination.

Thank you.

Yours sincerely,

Mr Victor Tan
Principal
