6 April 2022

Dear Parents/Guardians,

MERGED SCHOOL NAME & PRINCIPAL-DESIGNATE

In April 2021, MOE announced the merging of our school with Guangyang Primary School/Townsville Primary School. I would like to thank you for your understanding and support thus far. With your support and trust in us, we have ensured that our students continue to have a good educational experience. Moving forward, I would like to ask for your continued support to ensure a smooth merger process for both staff and students.

In naming the merged school, MOE took into consideration stakeholders' feedback and sentiments, together with other factors such as the respective schools' history and heritage, enrolment and future site of the merged school.

The English name of Townsville Primary School and the Chinese name of Guangyang Primary School (光洋小学) will be retained. In summary, the name in the four official languages are:

Sekolah Rendah Townsville
光洋小学
டவுன்ஸ்வில் தொடக்கப்பள்ளி
Townsville Primary School

Mr. Foo Chit Cheong Eddie (Principal of West View Primary School) will be the P-designate of Townsville Primary School.

I hope that you will give us strong support in forging an exciting future together.

Yours sincerely,

Mr. Victor Tan
Principal
